Wednesday, 15 June, 2011

Until the end of July fans of photography can visit an exhibition display by Wojciech Sternak called “Swiatowidy”. The display of city landscapes shown in a innovative way is available for spectators for free in the retail gallery of Millennium Plaza building at 123A Jerozolimskie Alley in Warsaw. Mutually intermingling views of widely recognized city landmarks reflect author’s different way of seeing the reality. A varnishing-day event will take place on Thursday 16th July at 17:00.
